RACK GUARD SYSTEM

Guards have pre-punched holes for bolting with carriage bolts (included).

Flush Mount Bracket

Standoff Bracket

Our panels attach to pallet rack systems using spacer clips. The 2" x 2" x 8-gauge welded wire mesh is welded to a steel angle frame which encloses the rack while still providing inventory visibility. Rack Guard® is finished in high quality, yellow polyurethane paint.

Available Models:

	H	W	Lbs	Spacer Clips
RGW07000-03000	36"	7'	36.68	RC0000 Flush
